

NOTICE

Western Metals Recycling has requested renewal of the solid waste permit for its Class IIIb landfill in Plymouth, Utah. The permit renewal application has been reviewed by the Division of Solid and Hazardous Waste and a draft permit has been issued. Class III landfills are non-commercial landfills that receive only nonhazardous industrial solid waste. The landfill may accept automobile shredder residue and by-products of railcar dismantling generated exclusively by Western Metals Recycling. The public comment period on the draft permit begins June 19, and will end July 18, 2002.

Copies of the application documents and the draft permit are available for public review during the comment period during normal business hours at the following locations:

Division of Solid and Hazardous Waste
Utah Department of Environmental Quality
288 North 1460 West, 4th Floor
Salt Lake City, Utah

Bear River Health Department
817 West 950 South
Brigham City, Utah

They also can be viewed on the Internet at www.eq.state.ut.us/eqshw/dshw-1.htm.

Written comments will be accepted if received by 5:00 PM on July 18, 2002 and should be submitted to:

Dennis R. Downs, Executive Director
Utah Solid and Hazardous Waste Control Board
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: rbohn@deq.state.ut.us. Comments sent in electronic format should be identified by putting the following in the subject line: public comment on Western Metals Class IIIb. All documents included in comments should be submitted as ASCII (text) files.

A public hearing on the draft permit renewal will be held only if requested in writing during the first 15 days of the comment period.

In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) during a public hearing should contact the Bureau of Human Resource Management at 536-4414 at least three working days prior to the hearing.

For further information contact Ralph Bohn or Phil Burns of the Division of Solid and Hazardous Waste at (801) 538-6170 or TDD 536-4414.
